

4th Membership Database

Our database software has been enhanced and we are implementing our new secured website addition which includes an online directory. You can choose how much information you wish to display, or you can opt out entirely (the default). Regardless of whether or not you wish to be in the online directory, please fill out this form so that your information can be verified/updated in our internal database. We will never release any personal information without your permission.

Shortly after you have submitted the form, you will be emailed your ID, password, and detailed instructions on how to activate your directory information and use the new website. You will be able to access up to three years of your contribution history, update your demographic data, pay for retreats, camps, other events, and more.

None of your information will be displayed in the online directory until you choose what you want displayed to others.

When filling out the database update, please include your family's birthdays, as they will help us with ministry planning. Only the month and day will display in the online directory. Please list the names of your minor children (under 18) through high school. College students should fill out their own form.

Please mail this form to the church or email it to slong@4thpres.org. The database updates will only be taken on this form, not by phone. Fill in one form per family, please.
